

Members of the General Assembly Judiciary Committee,

I'm writing in regards S.B. No. 477 & H.B. No 5397.

I strongly oppose making a committee such as this with the sole intent to harm and restrict law abiding gun owners. Declaring gun violence a health crisis and making more sanctions against legal gun owners will not deter or stop our current criminals perpetrating these offenses. Please throw out both of these.

Sincerely,

Kelly Keim
